THA Architects Engineers Announces the Accreditation of 3 LEED Design Professionals:

Madonna L. Bennett, AIA
George S. Ananich, AIA
Sheri Ananich, AIA

THA is proud to announce that three architects, George Ananich, AIA, Sheri Ananich, AIA, and Madonna Bennett, AIA, have become LEED Accredited Professionals. The three recently passed the LEED for New Construction exam, a test administered by the United States Green Building Council. LEED stands for Leadership in Energy Efficient Design and is currently the highest benchmark achievement for green and sustainable building practices. The three are Project Managers at THA Architects Engineers and all three are currently working on firm projects that are seeking LEED certification upon completion.
