THA Architect Engineers Announces New Staff Members and Positions!

David Boersma, has joined the staff at THA Architects Engineers in Flint as a member of the Design Staff. David received his Bachelor of Science in Architecture degree from Lawrence Technological University in 1993, and worked for D'Anna & Assoc., Giffels Consultants and the City of Midland Planning Department prior to joining THA. David's specialties are Multiple Family Housing, Commercial Retail and Design/Build. Since joining THA, David has become a member of the THA Business Development Committee and the THA Executive Planning Committee. THA welcomes David to our staff.

Ryan Craven has joined the staff at THA Architects Engineers in Flint as a member of the CAD Operators staff. Ryan is currently attending Lawrence Technological University where he will graduate in December of 2009 with a Bachelor of Science in Architecture degree. Ryan resides in Linden, and is currently engaged. Since joining THA, Ryan has worked on many of the firms projects such as Davison Hahn Intermediate Emergency Plans, Lapeer County Stair Replacement, Ovid/Middlebury EMS and Atwood Stadium Renovations. We are very pleased to have Ryan as a part of our THA family.

Paul Ramey has joined the staff at THA Architects Engineers in Flint as a member of the Mechanical Engineering staff. Paul grew up in the state of Washington and is currently a student at Kettering University, Flint, seeking a degree in Engineering, specializing in Mechanical Engineering. While Paul was still a student in Washington, he was part of a design team that created a crane for the logging industry for the State of Washington, which is currently being used today. Since joining THA, Paul has worked on projects such as Clio Community Schools HVAC and the Samaritan Wellness Center project in Detroit.

####
